

Worklight

80690335-337

These worklights are characterised by their high quality and are suitable for universal use. Thanks to their compact design, they can be used in suboptimal areas and provide the necessary lighting to suit your requirements. They offer the right quality, as well as the right price/performance ratio.

Worklight
 5 LEDs
 1.300 Lumen
 6.000 Kelvin
 IP69K
